Sew your brown background squares together so that you have two rows with 9 blocks each for the Runner. And two rows with 6 blocks each for the Wall Quilt.

Sew your Pink Heart squares together in four-patches, mixing up the fabrics.

Trace 4 large hearts and 3 small hearts onto fusible web for the Runner. Trace 3 large hearts and 2 small hearts onto fusible web for the Wall Quilt.

Position one fusible web heart onto the back of each of your four patches. Place them crooked so that your hearts are all different. Iron into place and then cut them out on the line.

Iron the hearts onto your Runner or Wall Quilt. Layer your top with batting and backing, quilt as desired (we made sure to stitch around the appliqués now), bind and enjoy!
