

TermComp 2018 Participant: $\text{T}\text{T}\text{T}_2^*$

Florian Meßner Christian Sternagel

Department of Computer Science
University of Innsbruck

July 18, 2018

*Supported by the Austrian Science Fund (FWF): project P27502

$T\bar{T}T_2$ in TermComp 2018

- version v1.17
- new: edge estimation with external nonreachability tools

T_TT₂ in TermComp 2018

- version v1.17
- new: edge estimation with external nonreachability tools

External Nonreachability Tools

- tool “nonreach” by Florian Meßner
- fast checks based on tcap and symbol transition graph
- root-nonreachability checks for (disjunctive) decomposition
- narrowing for (conjunctive) decomposition
