The Perfect Fried Egg

"Eggs with no snotty bits"

We fry our eggs by quickly cracking the egg on the hotplate, pouring a little water next to it and placing a lid over the egg, whitening the top with steam. This is like getting the consistency of a poached egg without the soggy toast. Perfect!

Grande Breakfast - are you hungry enough?

- 2 Eggs on toast
- 2 slices of bacon
- 2 Sausages
- 2 Hash Browns
- Full fried tomato

Onions, Mushrooms and Baked beans for our version of a filling English Breakfast.
