Company Overview

With over 35 years in experience, Co-Pack Inc. has strived to provide quality packaging to our clients. We have perfected our specialization in custom print packaging which will make your brand much more unique and memorable.

Why CO-PACK?

We are committed to providing high-quality packaging products, competitive pricing, and reliable service. With global sourcing partnerships across the US, Asia, and Central America, we ensure access to a wide range of materials. Our offerings also include products that are made at our California facility for fast turnaround and low minimum quantities.

CO-PACK's in-house design team helps bring your ideas to life, and our sales team assists in choosing the perfect packaging solution—from simple Kraft bags to luxury rigid boxes—to meet your brand's needs and make it stand out.

PAPER BOXES

FASHION BOXES

Help your brand stand out with your own unique fashion boxes manufactured with the materials you choose.

These options can fit all types of jewelry, clothing, shoes, and much more, depending on your company's specific needs.

SHIPPING BOXES

Shipping boxes can be used for items of all sizes and are highly customizable.

Your brand will stand out amongst a sea of brown boxes. Work with a company that will take the time to understand your vision and create quality shipping boxes that you can feel confident shipping your high-quality goods in.

BIODEGRADABLE BAGS

CO-PACK Inc. offers certified biodegradable bags that meet plastic bag ban requirements. Our eco-friendly bags, printed with water or soy-based inks, combine top quality with competitive prices, helping you showcase your company's logo while staying sustainable.

COMPOSTABLE MAILERS

With rising demand for eco-friendly packaging, consumers increasingly prioritize sustainability. Compostable mailers, a great alternative to plastic, offer the same or better performance while helping to protect the planet. Choose 100% compostable mailers to support a greener future.

REUSABLE BAGS

Our reusable plastic bags meet California and U.S. requirements, with 2.25 mil thickness, carrying up to 22 lbs, and lasting for 125 uses. Customize with your logo or work with our design team for a fresh look.

PP WOVEN/ NON WOVEN BAGS

PP non woven bag is affordable and reusable. Polypropylene (PP) non woven bag is manufactured from bonded, recycled plastic fibers, making them an eco-friendly option.

FSC CERTIFIED PAPER BAGS

FSC Certified Paper bags are one of the most eco-friendly packaging options. These bags are FSC certified, which means they were crafted from materials that are available as a renewable resource and harvested in ways that limit environmental impact.

TAKE OUT PAPER BAGS

CO-PACK Inc. offers high-quality, customizable paper take out bags as a great alternative to plastic. No matter the size, design, or logo, our experienced team will help you create the perfect bags to showcase your brand.

TAKE OUT PLASTIC BAGS

We offer plastic takeout and catering bags that are more affordable and economical. They are available in a variety of styles and sizes to meet your needs- wavetop bags, T-bags, loop handle bags and die cut handle bags. These custom printed bags not only transport your food but also reflect your brand's personality.

FOOD SERVICE PAPER

 *Made In Usa*

Invest in food service papers that showcases your unique brand. Food papers can be used for wrapping food, lining basket tray liners, as table placemats, and in many other uses.

SIZE	9.5x9.5"	9.5x12"	12x12"	14x14"
MOQ	10,000	10,000	10,000	10,000

TAKE OUT BOXES

CO-PACK Inc. provides high-quality take out boxes in various materials, including eco-friendly options. Our fully customizable boxes are grease and leak-resistant, offering durable packaging for all food types while ensuring your brand stands out.

FOOD CONTAINERS

Our selection of deli and take out containers covers a wide range of uses, from packaging premade foods and raw ingredients to catering applications. Whether you run a restaurant, café, juice bar, food truck, or catering business, we will help you find the best food packaging solution for your business.

PAPER BOWLS

Stand out from the crowd by personalizing your paper bowls with your brand logo, slogan, or any design of your choice. Our sturdy material ensures that your customers can enjoy their meals with these leakproof and spill-free bowls.

PRINTED CUPS

 *Made In Usa*

Show your unique logo and design on the side of every printed cup that goes out of your restaurant. Not only will they look great, but they will send your branding out into the world when your customers leave.

PET/PP/PLA CUPS

Made from polylactic acid, which is made from renewable resources such as corn. They can be composted and recycled, which makes them good eco-friendly choices.

STAND UP POUCHES

Ideal for branding and marketing, these pouches are perfect for packaging coffee, nuts, cookies, candy, tea, pet food, and more. A functional answer to questions of branding and marketing.

FLAT BOTTOM POUCHES

Made with barrier film, these flat-bottom pouches protect contents from moisture, odor, light, and punctures. They feature five printable surfaces for brand promotion, while quad seals and side gussets enhance volume, making them ideal for pet food, coffee, and powders.

FLEXIBLE PACKAGING

3 SIDE SEAL POUCHES

Three side seal bags allow more room for graphics with the elimination of the center back seal. Case packing is simple and convenient with this bag style.

SPOUTED POUCHES

Spouted pouches are ideal to make your beverage products stand out. These food safe drink bags can be customized with company logo or message to reflect your brand, which will help you stay ahead of the competition.

CENTER SEAL POUCHES

Lightweight center seal pouches provide easy portability and convenience. Tamper- and water-proof, they withstand varying temperatures, making them ideal for food and chemical packaging. Clients can choose from various printing options to enhance brand differentiation.

CLIENT TESTIMONIAL

FOREVER 21

FOREVER21.COM

We've been partnering with Co-Pack for over ten years, and it's been a fantastic experience. Their commitment to quality and innovation has helped us elevate our brand with outstanding packaging solutions. More than just a vendor, they've become a trusted partner, always adapting to our needs as we grow. Thanks to their support, we've seen improved product presentation and increased customer satisfaction. We look forward to many more years of collaboration!

The quality of the packaging is outstanding—durable, visually appealing, and designed with our customers in mind. I wholeheartedly recommend Co-Pack to any business looking for a reliable partner in packaging. They truly go above and beyond!

We partnered with Co-Pack Inc. for our product packaging needs about 5 years ago, and the experience has been nothing short of exceptional. From the initial consultation to the final delivery, their team was professional, attentive, and incredibly responsive. They took the time to understand our brand and offered creative solutions that not only enhanced our product's visibility but also aligned perfectly with our sustainability goals.

KAYLA'S CAKE
Inspired Artisan Delicacies

For the many years we have been in business, Co-Pack Inc. has been one of our finest suppliers. We have many requirements for specific packaging and normally under very tight time restraints and Co-Pack Inc. has come through for us every time. The attention to detail has always been very good. Our company has received very good care in the most minute of details with regards to the product. They pay very close attention to what is sent and provide superb customer service which is very prompt, attentive, and quick to respond and act.
