

2025 Charity List

Create a more hopeful tomorrow
by giving today at **GiveCFC.org**.

YOUR GIFT

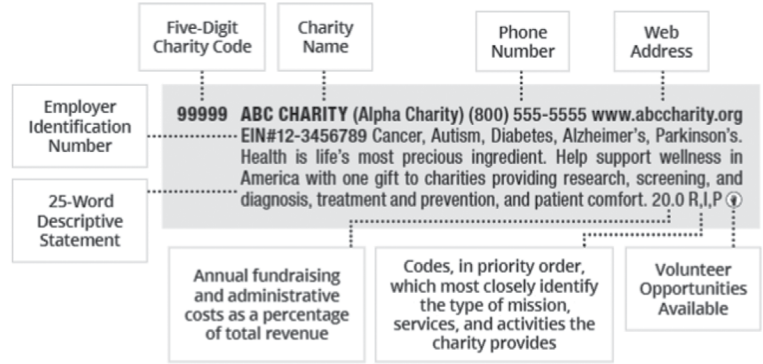

THEIR FUTURE

How to Use This Charity List

More than 4,500 federations and independent charities participating in the 2025 campaign can be found in this document. Additional participating charities can be found in the online charity search at: <https://cfcgiving.opm.gov/offerings>. Each charity listing contains the information provided in this sample.

Charities are divided into three sections: National/International, International, and Local. **For PDF users:** Use the Table of Contents and the clickable CFC zone map to jump straight to a particular section. Or use the search feature to find a specific charity. You can search for specific charities in this document by using the CTRL + f keys and then typing a word you would like to search.

For PDF users: Click on the Zone number pin to skip to your local section

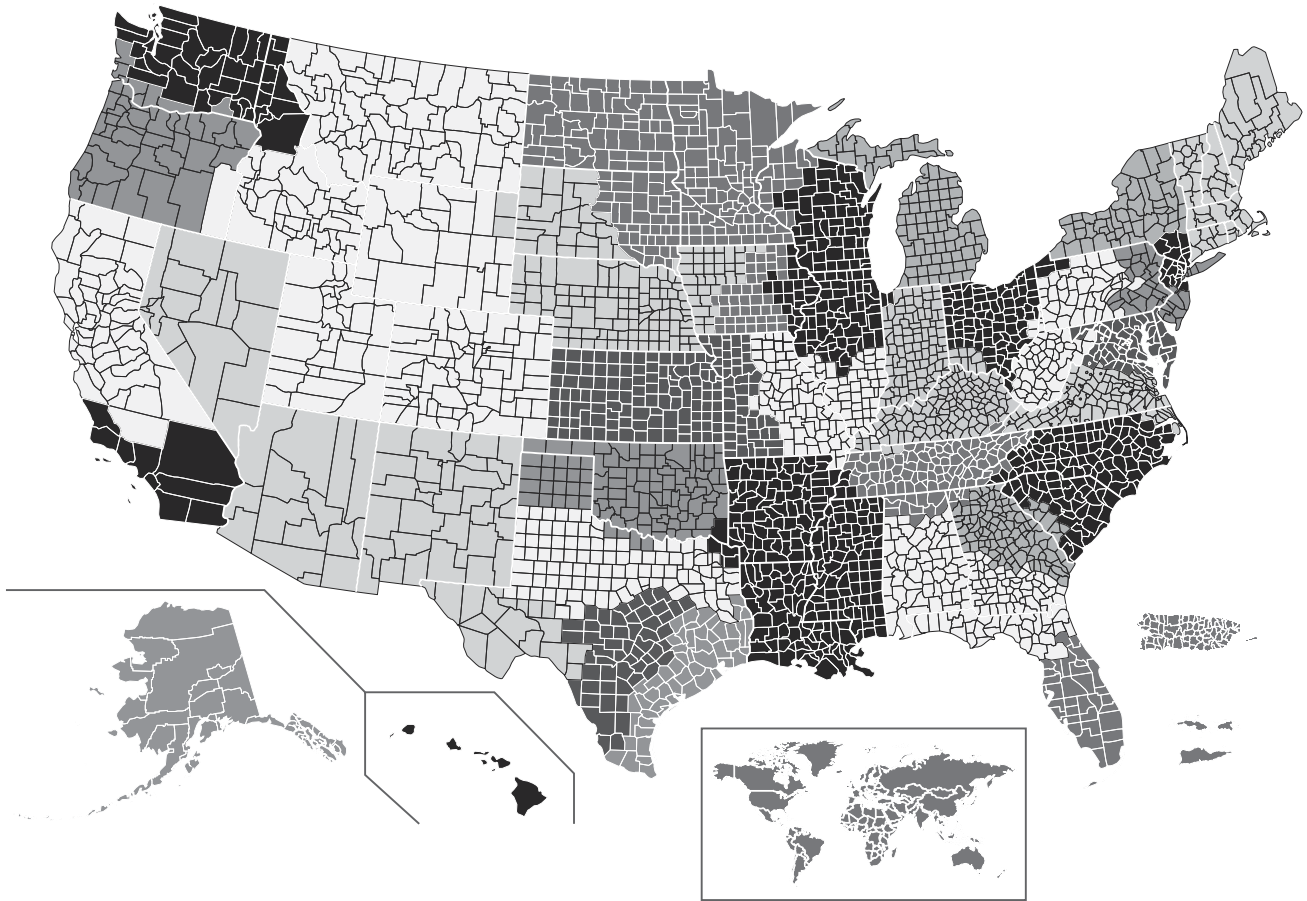

Table of Contents

This document is produced based on charities paying their listing fee by the date set by OPM.

Charities which pay late are only listed in the online directory you can search at <https://cfcgiving.opm.gov/welcome>.

Make an Impact

As public servants, you see firsthand the dedication, professionalism, and generous nature of our federal community. We serve our country with honor and distinction to provide excellence and support for the greater good. These attributes extend beyond our employment and into our annual participation in a federal tradition: the Combined Federal Campaign (CFC).

Through the CFC, we can make even more of an impact in our communities, throughout the nation, and around the world through philanthropic giving and volunteering, an extension to the call of public service.

Call to Action: Your Gift. Their Future.

Every day, members of the federal community go beyond their call to public service by contributing to the thousands of charities that work to improve the quality of life for all through the CFC program. The funds raised through the combined generosity of the federal community reach people and communities in need locally and across the globe, bringing vital services and resources to those who need it most. The overall theme – “Your Gift. Their Future” – embodies the essence of the CFC by featuring a pay-it-forward concept whereby donors’ combined actions create a better today and a more hopeful tomorrow.

What is the Combined Federal Campaign (CFC)?

The CFC is the only authorized solicitation of all federal employees in their workplaces, postal service employees, Active-Duty military, retired members of the military, and retired civilians on behalf of approved charitable organizations. CFC solicits once-a-year contributions in the workplace and provides employees, retirees, and others the opportunity to make one-time or recurring charitable contributions through payroll deductions or other means.

Continuing a long-standing tradition, federal employees, postal workers, and members of the uniformed services pledged more than \$68 million to charitable causes last year. The pledge total includes more than \$65.9 million in financial pledges and an estimated \$2.3 million from the monetary value of volunteer time.

What is the mission of the CFC?

The mission of the CFC is to support and promote philanthropy through a voluntary program that is employee-focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for all.

When did the CFC begin?

Established in 1961 by Presidential Executive Order, the CFC is a long-standing federal tradition we can be proud to support. Since its inception, federal employees have contributed over \$9 billion to charities, meeting the needs of countless deserving beneficiaries locally, nationally, and around the world.

What is the structure of the CFC?

Global reach - There are 35 campaign Zones in the CFC. Each Zone organizes the annual fund-raising effort in the local federal workplaces, military installations, and post offices in that jurisdiction or overseas.

Federal Oversight - The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns.

Local Management - A Local Federal Coordinating Committee (LFCC) oversees the CFC in each Zone for OPM. Federal employees, Active-Duty military, retirees, and representatives of federal labor unions can make up the membership of the LFCC. The LFCC ensures that campaign workers conduct the CFC according to federal regulations and policies. The LFCC also makes application decisions on local charities. The LFCC also works directly with the local Outreach Coordinator (OC). That contractor is hired by OPM to administer the CFC in the local Zone. The LFCC uses the OC to implement the campaign plan, conduct marketing activities and educate charities and employees regarding the program.

Campaign Administration - OPM also contracts with a charity to serve as the Central Campaign Administrator (CCA). Currently, that organization is The Give Back Foundation. The CCA is the organization responsible for developing and maintaining the CFC Online Donation System (<https://cfcgiving.opm.gov/welcome>) and the charity application module (cfccharities.opm.gov), as well as processing pledges and making distributions to the charities you designate in your pledge.

How is the CFC regulated?

The Combined Federal Campaign (CFC) Regulations govern all aspects of the CFC. Executive Orders [12353](#) (external link) and [12404](#) (external link) authorize the Office of Personnel Management (OPM) to prescribe rules and regulations to facilitate fund-raising on behalf of charitable organizations through on-the-job solicitation of federal employees and military personnel, and to ensure that recipient agencies are responsible in the use of the funds raised. CFC Regulations can be found in Title 5, Part 950 of the [Code of Federal Regulations](#) (external link) maintained at most regional and university libraries.

How does CFC use innovative technology?

CFC leverages state-of-the-art technology through:

- One common online portal for federal employees, postal workers, active-duty military, retirees, and contractors to use when giving to charity through CFC (<https://cfcgiving.opm.gov/welcome>). This site allows:
 - The ability to make multiple types of online gifts (payroll and annuity deductions, credit, debit, and checks).
 - The ability to search for charities and pledge hours of volunteer time.
- One common application site for all charities (cfccharities.opm.gov). This site allows:
 - The ability of all charities (local, national, and international) to submit annual applications to CFC, and track pledges and payments (if approved).
 - The ability of campaign workers to track campaign progress with daily updates of pledges.
- Both sites are smartphone friendly.
- A CFC Giving Mobile App for Apple and Android devices allows a donor to pledge on the go. The Mobile Giving App allows donors to find CFC events like charity fairs, fund-raisers, and more. Using the same log-on username and password integrates the rest of the donor's desktop profile from <https://cfcgiving.opm.gov/welcome>, allowing for a donor to select a recurring pledge through payroll deduction and all other features (such as the ZIP code for zone integration and the Department, Agency, and Office profile).

How does CFC ensure public accountability?

OPM achieves this in several ways:

1. OPM assures federal employees that CFC honors their designations and distributes those funds to the charitable organizations they choose.
2. OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at <https://givecfc.org/reference-materials>.
3. Every year, OPM makes final application decisions for all local, national, and international charity applicants and resolves charity admission appeals.
4. OPM and federal contract rules set strict requirements and provide ongoing guidance for the activities and conduct of the CCA and the OCS.

What is the CFC Charity List?

The Charity List is a web-based and PDF display of local, national, and international organizations that have met CFC eligibility requirements. Key features include the organization's five-digit CFC code, IRS Business Master File name (shown in parentheses if it is "doing business as" another name), a 25-word statement of purpose, and its administrative and fund-raising expense rate (AFR).

Sample Charity Listing

11405 ABC Charity (Alpha-Charity) (800) 555-5555 www.abccharity.org
EIN#123456789 ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. 15.8%

What factors should I consider when choosing a charity?

The CFC allows each donor to support the causes most important to them. The EIN, AFR, and Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Internal Revenue Service (IRS) issues the **Employer Identification Number (EIN)**. You can use the EIN to obtain additional information about an organization from the IRS. IRS data is at <https://www.irs.gov/charities-non-profits/exempt-organizations-business-master-file-extract-ee-bmf>. Or you can use other sources such as the Better Business Bureau, Charity Navigator, Guidestar, or other charity rating organizations. Please Note: You may find an organization's tax-exempt status is under an umbrella organization (such as a parent organization or headquarters).

The **Administrative and Fund-raising Rate (AFR)** represents the percentage of dollars spent on expenses other than services. The CFC calculates the AFR as a percentage of the organization's total support and revenue. If you have questions about an AFR ratio, review the CFC procedures for computing that on the [CFC application](#). You also may ask to review its IRS Form 990, which is available to the public and often posted on the organization's website.

The **Service Categories (Taxonomy Codes)** categorize the types of services that most charitable organizations offer. Charities self-select up to three alphabetical codes (shown below) for inclusion in the CFC charity list. CFC assigns the category "Z" (Other) to charities that did not select at least one category.

The **National Taxonomy of Exempt Entities (NTEE)** classification system provides 26 top-level categories for charity services. This system, developed by the Johns Hopkins University National Center for Charitable Statistics, is universally accepted as the standard of use in the non-profit community.

SERVICE CATEGORIES (TAXONOMY)

- A. Arts, Culture, and Humanities
- B. Education
- C. Environment
- D. Animal-Related
- E. Health Care
- F. Mental Health & Crisis Intervention
- G. Voluntary Health Associations & Medical Disciplines
- H. Medical Research
- I. Crime & Legal Related

- S. Community Improvement & Capacity Building
- T. Philanthropy, Voluntarism & Grant Making Foundations
- U. Science & Technology
- V. Social Science
- W. Public & Societal Benefit
- X. Religion-Related
- Y. Mutual & Membership Benefit
- Z. Unknown

For additional guidance on selecting charities, visit the CFC website at <https://givecfc.org/>.

Can I give to a CFC charity not listed in my local CFC charity Zone?

Yes. You may pledge to any of the charities approved to participate in any CFC Zone for 2025. The CFC refers to giving to a local charity in a different Zone as “CFC All-Around Giving.” You can search through an online list by visiting the OPM Online Donation System (<https://cfcgiving.opm.gov/offerings>). You can make your pledge by entering the five-digit code in your online gift or on your paper pledge form.

Do I have to give through the CFC?

No. Participation in the CFC is strictly voluntary. CFC regulations forbid any coercion. Rules prohibit any outside party from improperly influencing your decision to give or not to give through the CFC. Prohibited practices include but are not limited to: supervisors soliciting the employees they supervise or Active-Duty members of the military under their command; setting 100 percent participation goals; providing and using lists of contributors for purposes other than the regular collection of contributions; establishing personal dollar goals and quotas; developing and using lists to identify non-contributing employees.

However, things to consider are the benefits of giving through the CFC: you can give through payroll deduction allowing you to give a little each pay period, you can support multiple, vetted charities with one donation, which adds up to millions of dollars the CFC-charities and their beneficiaries can depend on.

If you prefer, you may donate to the CFC anonymously by placing your private gift in a sealed standard envelope. If giving online, you can stay anonymous by not releasing your name to the charity or charities you support.

Can I specify which organization will receive my contribution?

Yes. The CFC requires you to designate one or more charities. Designate the organization(s) of your choice when completing your online pledge or where indicated on your paper pledge form by entering the five-digit code and the amount you wish to pledge. Except for the potential of a distribution fee to help with the operational costs of the CFC, the CCA distributes all contributions as designated. There is no limit to the number of contributions that an organization may receive through the CFC.

To give to more organizations than allowed on one paper pledge form, complete additional pledge forms, and staple them together. The top pledge form must contain the sum of all pledges.

You cannot designate an organization that OPM did not approve for listing in the 2025 CFC. You may only give to the organizations listed in your local CFC Charity List or to any of the other local, national, and international organizations on the “CFC All-Around Giving Search Tool” at <https://cfcgiving.opm.gov/offerings>. Regulations prohibit and the CFC will not accept designations to charities not approved for this campaign year.

How do I pledge through the CFC?

Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to create an account and pledge to the charities of your choice. Select Sign In, where you will be redirected to the Login.gov and click on Create an Account. New users will be asked to enter their email. Users may provide either a government or personal email for this purpose. Login.gov will send a verification link to the email address provided. Follow the link provided, enter a password, and continue to follow the site prompts to complete your sign-up process. Please note that the verification link will only be valid for 24 hours. If you do not verify your account in this timeframe, you will need to request a new link. You will be asked to select an authentication method. Follow the prompts and setup an authentication method to complete sign up.

You also can use a paper form (OPM Form 1654) or the CFC Giving Mobile App.

Do I have to set up an account to make an online pledge?

Yes. If you are a new user, the system will prompt you to enter your email address and select a password. You can use either a government or personal email for this account. Accessing your account will allow you to print documents at tax time and watch your pledge as the CCA distributes it to your charities throughout the year. Returning users will be able to access their previous year’s pledge data via their account, making it easy to renew their pledge from year to year.

When will CFC start to deduct my contribution from my payroll?

Your payroll service provider will deduct your first installment of a payroll deduction gift in the first full payroll period occurring **after** January 15, 2026. The solicitation period ends on January 15, 2026, at midnight local time in Hawaii.

As a federal employee, what payment methods can I use to pledge?

You can use payroll deduction to fund recurring donations from your salary. ACH, credit, debit card, PayPal, and Venmo pledges can support both one-time and recurring donations. Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to create an account and pledge to the charities of your choice.

Are CFC pledges pre-tax or after-tax basis on my pay?

While tax-deductible, CFC deductions are not pre-tax. Federal law does not allow for charitable donations through payroll deduction (CFC or any other payroll deduction program) to be pre-tax. If you are eligible to itemize charitable contributions on your income tax returns, you may include contributions made through the CFC. You should contact a tax advisor for more information.

Do I have to complete a new pledge every year?

Yes. Charities that participate in the CFC must submit a full or abbreviated application demonstrating continued compliance with the CFC regulations every year. Due to changes in charity participation, you must complete a new pledge each year to indicate the charities to which you wish to designate all or a portion of your contribution.

Is it possible to make a one-time gift via credit/debit card?

Yes, you can fund your pledge with a direct debit from your bank account (ACH) or via a credit/debit card. Please note that the CCA processes one-time gifts at the time you make your pledge.

The CFC also allows you to give via Text-to-Donate contributions. You can text the word “DONATE” to 978-487-5678 to receive a link to make a onetime gift.

Can I set up a recurring credit/debit card pledge?

Yes. The CCA processes recurring giving monthly, starting in the month after the official solicitation period ends.

How do I find a charity?

You can either use the printed charity listing for your Zone or the online charity search. If using the printed list, you can browse the pages organized according to local, national, and international categories. If you are searching online, select the “Find a CFC Charity” button or click on the magnifying glass icon. You do not have to log in to an account to search online and you will be able to search for charities in a variety of ways (e.g., name, EIN, category, location, CFC Zone, fundraising rate, volunteer time).

How many charities can I support?

There is no limit to the number of charities you can support.

Is there a limit to how much I can pledge?

If electing payroll as the funding source for your pledge, your payroll service provider may limit the annual maximum contribution. For example, the Defense Joint Military System (DJMS) has a ceiling limit of \$9,999, which affects all active-duty members of the Army, Navy, and Air Force. If selecting a credit/debit card, or ACH/bank account, the maximum online contribution is \$99,999. If wishing to donate an additional amount, please contact OPM for instructions. There may be additional limits to the tax deductibility of your gift. OPM advises you to consult your tax advisor on this topic. The minimum amount for each designation is \$1 per charity per pay period.

What are Federations and Independent organizations?

Federations are charitable organizations that provide common fund-raising, administrative, and management services to their member organizations. Member organizations may pay dues or fees to that federation as a service charge. Federations must charge those dues or fees to charities. They cannot merely deduct those amounts from CFC pledges before disbursement to member charities.

Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a federation and any dues/fees charged to its members, either contact the federation or its members or review the federation's annual report.

How do I designate a federation or one of its members?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name is at the top of the list of the federation's member organizations.

How do I designate an independent organization?

You may designate an independent organization not affiliated with a federation by entering that organization's five-digit code number on your pledge form.

Can I make an undesignated pledge?

You must designate all funds contributed through the CFC to a specific organization or federation. The CFC does not collect undesignated pledges.

What happens if a charity goes out of business before it gets all its funds?

The CFC disburses designated funds to specified charities until we find that the organization is unable to accept any further funds due to closure, loss of tax-exempt status, or other reasons. The CCA will contact you to see how to disburse the remaining funds.

What is the payroll deduction option?

Payroll deduction is one of the great benefits of giving through the CFC as it makes it convenient for you to give by spreading your contribution across the entire year. Last year, federal employees, postal workers, and members of the military pledged almost 90 percent of all CFC funds through payroll deduction. Payments on payroll deduction pledges begin on the first pay period **after** January 15, 2026, and conclude with the last pay period, which includes January 15, 2026. Payroll deduction helps you care for your community and your world.

Will I receive a receipt for my contribution?

You should print a copy of your online receipt or make a copy of your paper pledge form in addition to keeping your final Leave and Earning Statement (if you made a payroll deduction contribution), as a receipt of your pledge. A federal employee who makes a one-time (check) contribution must maintain a bank record and a copy of the pledge form to show the name of the organization contributed to, the date of the gift, and the amount of the contribution. You should consult a tax adviser to determine if the IRS requires any additional verification of the donation.

What are the costs of the campaign?

OPM recovers the costs of marketing and outreach, training, distribution, traveling, and all CCA and Outreach Coordinator expenses through application fees, listing fees, and distribution fees paid by charitable organizations.

The distribution fee charged to pledges made in the 2024 campaign year was 27 percent. The CFC used these funds to maintain, operate, and upgrade the online systems; print materials; train volunteers; and other campaign management and marketing expenses. The distribution fee offsets the expenses not covered by the available application and listing fees. OPM also considers miscellaneous funds available even if they are based on expenses not spent due to virtual campaigning.

How is the fee structure determined?

The Director of OPM determines the fee structure annually based on the estimated costs of administering the central campaign and local marketing efforts. OPM announces the application and listing fee structure in the fall before the application period opens. OPM will roll over any excess funds from fees to the following campaign. OPM considers that balance when setting the Application and Listing Fees for the next campaign.

The CFC shall not reimburse any expenses for food or entertainment to the Outreach Coordinator for CFC events

When does the CFC recover the fees?

Charity application fees are due at the time of the filing of the application or by the application deadline, whichever occurs last. OPM will not consider a charity application if the organization did not pay the application fee for that campaign year.

CFC regulations require the additional listing fee from all charities approved to participate in the campaign. Listing Fees allow OPM to include these charities on paper or electronic Charity Lists. The Central Campaign Administrator will not process pledges to any charity that does not submit the listing fee before the annual deadline set by OPM.

Finally, OPM may assess a distribution fee against pledges received should the application and listing fees not cover all the costs of the campaign.

What is online pledging or e-giving?

OPM introduced a national CFC Online Donation System accessible to all civilian employees and Active-Duty members of the military at work, at home, or via mobile-friendly websites viewable on smartphones and tablets. This system (<https://cfcgiving.opm.gov/welcome>) replaced any former systems in use for campaign years before 2017.

This paperless process is one method that CFC implemented to "go green" and reduce administrative costs related to the processing of pledges.

Can't find my CFC Charity Code I used last year?

Federal civilian employees, postal workers, and Active-Duty members of the military may not designate to any charity code not listed in the 2025 database.

Although CFC codes typically do not change from year to year, you may need to find the new code for the organization. When searching, try using the organization's Employer Identification Number (EIN), or their name. If you are still having trouble finding the organization, please verify with the organization that OPM approved its application for the 2025 CFC and, if so, ask for their new CFC code.

Does the CFC allow me to pledge volunteer time?

Yes. Executive Order 13743 allows federal civilian employees and members of the uniformed services to make pledges of volunteer time through the CFC in addition to financial contributions. Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to search for charities that offer volunteer opportunities and pledge time.

How do I pledge volunteer hours?

You can pledge volunteer hours when completing your pledge. The charity listing, both in print and electronic formats, identifies charities that are participating in soliciting volunteer time from federal employees and members of the uniformed services. You can search for charities that offer volunteer opportunities. Please indicate the number of hours you would like to pledge to the charities of your choice. Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to search for charities that offer volunteer opportunities and pledge time.

What if I pledge volunteer hours but do not perform the hours?

The CFC expects you to honor pledges of both financial and volunteer time; however, you can cancel your pledges at any time if your situation changes.

Am I representing my federal agency when volunteering with a charity?

Volunteers fulfilling volunteer time via the CFC program are not on official Government business. If you pledge volunteer time and use administrative leave to fulfill the obligation, please refer to your agency policies and guidelines.

How does the charity contact people who pledged volunteer hours?

When you pledge monetary or volunteer donations, you have the option to share your contact information. If you answer "yes" and share that personal information, then the charity will receive that to contact you. CFC allows charities that receive the contact information to call or write to you directly. Keep in mind, that if you pledge to volunteer and do not answer 'yes' to release your information, the charity will have no means to reach out and contact you. It will be up to you to initiate your volunteer pledge time with your charity of choice.

How do I get a tax receipt?

To obtain copies of tax receipts for your 2017-2024 contributions, log in to your account at <https://cfcgiving.opm.gov/welcome>. Navigate to <https://cfcgiving.opm.gov/welcome/tax>. There you can choose a donation year and print a copy of the tax receipt of your pledge. If you used a paper pledge form, call the CFC Help Desk to obtain a tax receipt.

How do I cancel my CFC payroll deduction?

You can cancel your CFC payroll deductions at any time. Cancellation is the only change permitted to your pledge outside the official solicitation period. If you cancel your pledge during the official solicitation period, you cannot submit a new pledge until the next Open Season. From the "Your Pledge" screen, select and click on "Cancel Balance" at the top right. The Pledge System will ask you to confirm your intention to cancel the pledge. Select and click "Yes, cancel pledge" to continue. The online donation system will confirm "Cancellation" at the top of the "Your Pledge" screen. If you submitted a paper pledge form, contact the CFC Help Desk at The Give Back Foundation to cancel your pledge.

Note: If you change federal jobs or retire from federal service, you may transfer your pledge to the new payroll service provider at your new organization or through your annuity. OPM does not consider this transfer as a pledge change.

Where can I get additional information?

For information about the CFC, including details on the public accountability standards for participating charities, how to contact your local CFC campaign, and more, visit the CFC Home Page at <https://www.opm.gov/about-us/combined-federal-campaign/> or pledge online at <https://cfcgiving.opm.gov/welcome>.

Why give through the CFC?

- We create a more hopeful tomorrow in our communities when we give together.
- And now, more than ever, charities are counting on these donations. You can even donate to multiple, vetted charities with one pledge.
- The ease of giving via payroll deduction, our most popular method, allows you to spread your gift over the course of the year. Even \$5 per paycheck makes a difference.

**Imagine the future you
can create when you give
through the CFC!**

Create a more hopeful tomorrow by giving today at **GiveCFC.org**.
