

# CONTRACTOR AFFIRMATION CARDS

I am so much  
better than those  
other guys.

Every decision I  
make is supported  
by my inarguable  
experience.

I will embrace  
change orders as a  
chance to grow.

I am deserving of  
success.

I trust the  
process.

Sometimes the  
work is resting.

I take comfort in  
the fact that I  
can always  
leave this  
situation.

Every problem  
has a solution.

I am grateful for  
today.
