UCR Student Health Services offers comprehensive health care service available to currently enrolled undergraduate and graduate students. You can come for physical exams, routine health maintenance as well as for Education Abroad programs, specialty clinics including Women's Health, Travel Clinic, Dental Clinic, and Endocrinology Services from UCR Health.

Mission Statement

The mission of the Student Health Services (SHS) is to promote academic excellence, enrich the student experience, and support retention by providing high-quality, accessible, and comprehensive medical care to students with a focus on multidisciplinary services, health education, and prevention.

Dedicated to Student Success

We ensure that students are healthy physically, emotionally, and psychologically so that they can graduate.

Accreditation

Student Health Services (SHS) is accredited by the Accreditation Association for Ambulatory Health Care (AAAHC) and is staffed by board-certified physicians, nurse practitioners, and nurses. Our laboratory is accredited by Commission on Office Laboratory Accreditation (COLA)

"The staff and clinicians seem to be operating appropriately and effectively despite COVID-19 related challenges."
