EXTEND THE LIFE OF YOUR SUIT
by changing what you wear
underneath. Pair it with a
crisp dress shirt for formal
days or a knit for a more
relaxed look. Just one suit
can go twice the distance
with a few smart layers.

A COTTON SUIT

is the ultimate summer staple—lightweight, breathable, and effortlessly stylish. Perfect for travel or casual days on the go, it delivers a relaxed, polished look that works just as well with sneakers and a tee as it does with loafers and a collared shirt.
