

The ZIK Whitepaper Unveiled

1. ZIK Token (“ZIK”) stands as a digital token adhering to the ERC-20 and BSC token standards. At present, ZIK is positioned as a Parody, devoid of any functionalities, utilities, or the commitment to financial returns, profits, interests, or dividends. With no established roadmap, there exists no assurance of developing an ecosystem for ZIK. ZIK solely exists as a Parody for entertainment purposes only.
2. To dispel any ambiguity and without restricting the above, ZIK is expressly not intended to:
 - a. Serve as a medium of exchange for goods, services, or debt settlement.
 - b. Function as a means of payment, whether through the ZIKland Group or otherwise.
 - c. Enable the exchange of ZIK for goods or services.
 - d. Represent any form of currency or financial instrument.
 - e. Embody any capital markets product, security, share, debenture, or investment in any jurisdiction.
 - f. Grant ownership, voting rights, or participation in business operations.
 - g. Entitle voting rights within the “ZIKland” ecosystem.
 - h. Yield fees, dividends, profits, or investment returns.
 - i. Confer rights under profit-seeking contracts.
 - j. Be refundable or exchangeable for cash or digital assets.
 - k. Represent any form of indebtedness.
3. Furthermore, there are no guarantees or commitments regarding the listing of ZIK on any exchange.
- 4.

Disclaimers

5. This whitepaper (“Whitepaper”) and associated websites serve as general informational resources and do not constitute prospectuses, offer documents, or solicitations for investment. The information provided herein may not be exhaustive and does not imply any contractual relationship. Accuracy or completeness cannot be assured, and no warranties are provided regarding this information.
6. Nothing in this Whitepaper or associated websites constitutes an offer to sell ZIK or forms the basis of any contract or investment decision. No promises, representations, or undertakings are made regarding the future performance of the ZIKland Group.
7. The information provided is for community discussion purposes only and is not legally binding. No contractual commitments are made based on this information.

8. No regulatory authority has examined or approved the information provided in this Whitepaper or associated websites.

No Further Information or Updates

9. The information contained herein is current as of the document version stated. Information regarding token sales, ZIK functions, business operations, financial conditions, and future plans may change. The ZIKland Group is not obligated to update or correct this document.
10. This Whitepaper does not constitute a binding commitment, and decisions regarding ZIK's development and release are at the sole discretion of the ZIKland Group. Further, the Whitepaper or associated websites may be amended or replaced from time to time, with no obligation to update recipients beyond the provided information.
